Dear Madam:

This is in response to the Notification of Defective Response, dated November 18, 2008. Applicant responds within the one-month response period set to expire on December 18, 2008. Therefore this response is timely filed.

The U.S. Patent and Trademark Office states that the previously submitted "Sequence Listing" in computer readable form did not comply with the requirements of 37 CFR 1.822 and/or 1.823 for the stated reason that the raw sequence listing contained several errors. Applicant submits herewith a substitute computer readable copy (.txt file) of the Sequence Listing correcting those errors and a paper copy (.pdf file) of the substitute computer readable copy of the Sequence Listing. The undersigned hereby asserts that the content of the attached copy (.pdf file) of the Substitute Sequence Listing and the computer readable copy (.txt file) of the Substitute Sequence Listing

submitted in accordance with 37 C.F.R. §§ 1.821-1.825, are identical. The submission includes no new matters.

Applicant requests consideration and entry of the substitute Sequence Listing computer readable copy (.pdf file) and paper copy (.txt). Please replace the previously filed Sequence Listing with the substitute Sequence Listing attached hereto. Pursuant to 37 C.F.R. 1.77, please substitute after the Abstract the instant Substitute Sequence Listing copy (.pdf file) for the Sequence Listing paper copy mailed May 9, 2005.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **Docket No. 638772009900**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: December 16, 2008
